Xpert wrote on Sun, 27 October 2013 04:58He was asking this question due to an incident that occurred with him in Jelly.

thats actually not 100% correct, but rather Ive asked this before and was told its impossible, the reason I asked many MANY months ago is because I knew that the incident in jelly would happen at some point, because I feel extreme hatred for many of the lifeforms that play the game still.

being chat only muted would bring me MUCH relief while still enabling me to communicate in a limited but wholly legitimate renegade fashion.
