<http://www.renegadeforums.com/index.php?t=msg&th=40460&start=0&>

Based on what JonWil previously said in that first topic it won't ever get in officially though  
Unless the patch becomes an official/required patch, then I guess it may get in. It wouldn't make  
any sense to not put it in if it is a required patch for everyone imo.
