Good luck!

Actually he did and was implying it every 5-10 minutes, especially after he got a kill. "Mung killed PLAYER" is apparently extremely funny to him.

From my reply to his topic on our forums:

Quote:I hate all religions, nationalities, races, and creeds entirely equally. Words that are disgusting, extremely hateful or offensive will not be allowed in nick names. You take offense to me using the name Hitler as an example of an offensive name?

I shall repeat myself. Grow the fuck up.

I had been meaning to implement a filter for extremely offensive, vulgar, or disgusting names for months and finally got around to it. Took two mintes.

Also I guess since we are all hating on someone in this topic I wish to take the time and say that Azazel still sucks.
