You have always maintained this "illusion" of not giving a fuck about Renegade and saying that everyone on IRC/Ren/TS etc. have no lives, aren't cool, can never get laid, etc.

but here you are doing what every disgraced Renecommunity member does when they're sentenced to exile - posting on RenForums so everyone can laugh at you

I thought you didn't care about Renegade?

(and for the record I was PMed in regards to your ban and was the last one to answer, they already had your head on a pike before I gave my say )
