LOL Don't tell me I know nothing about Jelly. I only played there for 8 years including 3 year as as admin after Ren-Archive / Non00bs merged with Jelly. I specifically remember a time we had to talk to Chris about dealing with your BS. So you are by far no angel.

I don't see Liquid doing this to any other players, do you? Can you name even one other player? If this was DJ, well then hell yeah I would be the 1st to say bogus. @ A54 DJ banned my son for something I posted on n00bstories forums. lol That's a real injustice.

Like I said you stick out in Ren and not for skill, but for conduct and attitude. Seriously, someone hears your nick and you think the first thing they say is "hmm good player - great guy". No, they say something quite different. So this happening to you is NOT a surprise.

I don't want to see a butthurt reply from you either. You asked for these comments so don't even think about raging.
