i can assure you that aslong as liqtard is in charge of power @ jelly there is proolly a 0% chance of you getting unbanned, jelly is like his 2. home therefore noone wants rumors at his own house. you proolly get urself more chances of getting unbanned the moment you stop posting here,you are feeding his ego, along to the ego of the others who are with liqtards decision may it be correct or not. in the end noone will make a step forward and unban you without every1 else agreeing with it, which will proolly not happen.
