Ethenal good eyes dude! They're not all from the same time. I said it was a ten minute search.

I could dig up the logs of Atrocity saying worse shit to me in #jelly all the time and you guys just laughing about it like it was one big joke but is that necessary? Can I just be unbanned? I've always been told that #jelly was a free-for-all but in my case it's not? You literally punished me the time I took action against Atrocity for doing much worse than what i said UNPROVOKED. Now that it's me I'm punished for it? What is that bs?
