Hopefully Jelly doesn't mind me quoting him - if so, I apologize, but you very accurately summed up the issue with Mr. Jesse.

Anthrax is a complete turd and always has been. I objected to him become a MOD years ago. If it was me doing the ban it wouldn't be 6 month, it would be permanent and it would probably do him a favour.

This is a place to have some fun, people like him aren't interested in that, it's a place for their own agenda, which is usually to spend most of their time annoying/abusing people.

Good riddance and not before time.
