Anthrax is a complete turd and always has been. I objected to him become a MOD years ago. If it was me doing the ban it wouldn't be 6 month, it would be permanent and it would probably do him a favour.

This is a place to have some fun, people like him aren't interested in that, it's a place for their own agenda, which is usually to spend most of their time annoying/abusing people.

Good riddance and not before time.

I care what a man who hides the community from his wife and keeps people like you and liquid in power despite your own agendas has to say since .. when? He doesn't participate in the community at all so of course he's going to think I'm a douche when all he has to go on is your and liquid's word.

brb my e-gfs all broke up with me so banning them for 2 years a piece .. sarahliz, anonymous and bunnykristin LMAO i'd like to know the reasons liquid gave for each of those bans.

you've done nothing but dodge my questions for the past 4 pages .. i'm starting to know what spoony feels like.
