[21:38:44] <AnThRaX> someone should euthanize you

[21:38:58] <AnThRaX> the only point you have in life is sucking cock and i doubt you even know how to do that

#jelly has never once been considered anything but a free-for-all and i've never seen anything be moderated .. even when iran talks about killing n words and shit and being a nazi.

You are essentially correct in that we tend towards moderating #jelly less than the others because it's our fun dick-around channel... that policy works fine until somebody really goes overboard.

the only offenses have occurred in #jelly (what was previously prior to my ban never moderated) yet i'm banned from TS, ingame, forums and z:lined from the entire IRC network .. I couldn't just be banned from that channel?

While I don't believe that I also know that it's our decision to ban you from everything or just the channel, and it looks like we picked the former.

i'm sure if liquid is around i'll be banned the first day back in 6 months like i said for the same bull shit.

Well the community owner said he'd have you banned permanently if it was his ban, so maybe you'd prefer liquid, LOL

Better?
