Ethenal wrote on Wed, 19 February 2014 10:09Toggle Spoiler[19:14] <~Ethenal> raven did you want tanker to be allowed ingame

[19:14] <~raven> uh no

[19:14] <&liquidv2> i was under the assumption tanker was supposed to be banned from everything

[19:14] <~Ethenal> yeah i figured

[19:14] <~Ethenal> lol

[19:14] <&liquidv2> he was in earlier, so i added a ban

[19:14] <~raven> he should be banned from everything

[19:15] <~raven> he doesnt get the privledge of playing here

[19:15] <&liquidv2> and then AnThRaX made a topic saying i'm supreme overlord making my own decisions

[19:15] <&liquidv2> or a post rather

[19:15] <~raven> he gave that up

[19:15] <~Ethenal> not topic its same topic

[19:15] <~Ethenal> lol

[19:15] <&liquidv2> yeah

[19:15] <~Ethenal> just another contribution to the shit river

[19:15] <~raven> heil liquid! o/ I have a poster of his face in my room and pray to it every night

[19:24] <~Scruffy> I didnt say anything about you consulting people

[19:24] <~Scruffy> He just assumed you did it because you hate him

[19:24] <~Scruffy> :>

From last night. I hope you guys don't hate me for quoting you!

I suppose the question then becomes, what does a human being's brain do when confronted with irrefutable evidence of the contrary to one's held beliefs?

lol i don't think you even realize what your own logs mean captain serious. even raven doesn't care what you guys say.

TaNkEr: Sorry, I stand corrected actually thought scruffy was a decent guy, but he tells me one thing then changes it for you guys. sorry bout that.

after reading the logs it's clear liquid never consulted anyone til after it was said and done (duh) yet scruffy says this.

[19:24] <~Scruffy> I didnt say anything about you consulting people

[19:24] <~Scruffy> He just assumed you did it because you hate him

[19:24] <~Scruffy> :>

clearly he told Tanker that no consulting had been done because none HAD been done. grow a

fucking sack bro I'm tired of you complaining about the direction the community is going in but never taking a stand or wanting to step on anyone's toes. either way Scruffy is a liar which is kind of sad tbh. though he does fit the bill for that community. I think the only people you can consistently count on there are raven, crypt and andy1996c, unfortunately they're not around much.

i was especially saddened by the post producepr made about me .. i used to go out of my way to help that guy out for hours at a time offering life advice and girl advice and whatever and had a great time talking with him but then he doesn't even hesitate to not give me the benefit of the doubt despite not being around at all in the last few months.

no one else seems to find it strange that so much shit always happens whenever liquid is around. lmao.
