And if he wants to backstab people and hold grudges against Internet friends because they dare to give constructive feedback and criticism he's well within his rights.

I honestly don't understand why some haters on the MPF forums (like that failcod666 guy and roszek) despise maps like these:

MPF developers have spent a lot of time working on the maps and players seem to like them. And the maps look really good and fun to play.

Besides which other server has a SPAAAAARTTAAAA taunt??

I look forward to RAFPS btw.

just lol
