Stallion wrote on Fri, 07 March 2014 12:57i got into the game fine, but the "fog" didn't stop me from seeing the words, just everything else.

This is on-line right? I'm running the C&C map right now, you should be able to join that fine, once you do feel free to use the phone, call (with the numpad) 5550314, then press enter, when it prompts you enter the number for the map you wish to switch to then press pound (numpad star) then press 1 to confirm your choice.
