Place this keys.zip in your data folder to be able to deploy vehicles with the Q key.

UltraAOW Imperial Age
In the UltraAOW Imperial Age Weekend everyone starts out having 25.000 credits right after
maploads.
The rotation consists of only ImperialKaskins maps which were recently updated to version G9.
(Unit Information for Imperial's G9)
New in G9+ is the ability to deploy several vehicles in additional positions with the Q key. Please
download and extract to your data folder the keys.cfg from here.
This will make some interesting games once again. Be there!
All other settings are standard UltraAOW Settings as described on the website.

When?
The Weekend of Friday 30 May till June 2 Monday.

TT 4.1 Update is Required
The Tiberian Technologies Update 4.1 for Renegade is required to play on the server.
You can download it on their official website if you do not already have it.
It adds lots of extra's, anti-cheat and a ingame automatic map-downloader, awesome stuff!

Active Server Plugins
Of course the server will run our own MPF_NewMaps.dll plugin which adds additional functionality
to the server such as Veterancy and Special Crates & Power-ups.
Other plugins running on the server are for example the Team Donate and !ammo purchase ability
every minute. Type !cmds for a list.
You can also type !swap to change teams with someone on the opposite team, or to balance the
teams.
For a full list of modifications and adjustments please visit our Website. (changelog)

Mappack is Available
You could download our Mappack before joining the server. This ensures you have all the maps
already.
Then you will not experience any ingame download dialogs which may take long if you have a
slow(er) connection.
All you do is click Next, Next, wait for it to install the maps and then you're done and ready to join.

Game Prize for June 2014
Every month we give away a game or game collection to a winner on our NewMaps 4.1 server.
For June 2014 we are holding a Poll to see which game people would like to win.
Please go here to cast your vote! Will it be CnC:UC, Alien Breed Trilogy or CS:GO?

Thanks
Thanks people for reading this and maybe joining up this Weekend.
