Well, I know that the game shipped on 2/26/02 but It was officially released in stores on 2/28/02 (that is when I got my copy too). So I wanted to take the time today and say Happy Birthday to the most engaging game I've ever played. No other game has ever held my complete interest for an entire year, and I'm thinking it will for a while to come. So again, Happy Birthday!!! and Long live Renegade!
