bunka wrote on Tue, 23 September 2014 12:21 what fucking funny is a bunch of 30 year olds constantly talking down to people 10-12 years younger than themselves fucking lol

let's see

what sort of 30 year old visits a gaming forum everyday and trolls? such a person is a total drop out of society ugly as balls IRL, motherfucker has no sex life or has a troll faced wife and has a faggy job and is probably depressed as hell that he will forever be a loser wanker.

The real men who actually have jobs, careers, and women wouldn't have the time to log in everyday to a fagforum to rant at teenage mapmakers of a dead game.

man up or GTFO.

LOL
