I'm shocked you mentioned Titanfall, as I am every month where I hear someone mention it, isn't it completely dead? And Hearthstone never looked appealing to me to even try.

Eww LoL Players Buuh!!!

Im having GTA5 on PS4 and CoD,dont even mentioned that, i said after Ghosts i wont buy another CoD Game cuz they are getting more & more worse, i was kinda blinded by Kevin Spaceys appearance in AW and thought hey i give it a shot, played it for like 4-5 Hours and then never again, 1 of the worst games in History..

Well, Titanfall has a good Community,kinda like Ren had Years ago,without the Cheats & Drama & Douchebags ofc. Around ~1500 Players online each day on PC, they just released the DLCs for free so you get all the Maps and additional Stuff for 0.
