Goztow wrote on Sat, 01 August 2015 07:42Spoony was the leader / strategy player. He wasn't the greatest individually speaking but put him in a team and he'd drag the team forward.

Preferably in bigger games, indeed.

I can vouch for that - I didn't see many other clanwars guys try to lead big games (I know clearsh0t was a beast as well in that regard), but I don't think any other clanwars guys could come close to those two when it comes to leading a team in Renegade

ehhh wrote on Sat, 01 August 2015 10:29unlike all the other cw players, spoony always played to win

most cw players just fucked about in public

What I say to them tristt:
