ehhh wrote on Sun, 20 September 2015 13:36my reason it gives advantage over everyone else just like cheats do?

keep up dj pls

It doesnt? If a Player felt back the Days he needs it for a better Game Performance he could have just installed it. If you dont use it you cant complain bout it beeing used by others,lol, your logic is pretty much fcked up Trist. Same with going to vote for Elections, if you dont vote you have no permission to judge over the Politics lol..
