Demolition manEnglandNot out in the UK yet :/

Its not even listed on amazon.co.uk

Edit:

you can buy and download it online o.O

<http://orders.igames.com/savage/>

Might do that

This can be usefull for you <http://www.3dactionplanet.com/savage/>

I already bought it, so addictive, i was gonna apply for -WL- but i dont have a mic, so i didnt bother.
