Sk8rRIMukFreakerVHmy work is now done:

<http://crapshots.tk>

or

<http://crap-shots.tk>

waiting for ya registration and screens :mrgreen:

It is very very good and seems you have loads of images so far but I hope you can handle what is gonna come because if it becomes very popular bandwidth and sitespace may come in short supply.

-Sk8rRIMuk

Yeah, Keep up on that bandwidth.
