Hello everyone.

A few days ago I was recording some gameplays and someone had the idea of publishing them here on Renforums. I thought it'd be the perfect thread for everyone to show their gameplays, moments or favorite videos.

This should be a great opportunity for people to show and promote their channels and livestreams.

(I looked for other video threads and found none).

Let's enjoy the Anniversary Week and showcase the best vids we have. :gdi: :nod:

Over this last week I barely entered Renegade online, as I was gathering material for a special video I was making to celebrate Renegade's 22 years of existence. Here it is.

I also have a short vid showing the Ion Cannon Tribute, that we did last saturday in the Anniversary server.

There are plenty more other Renegade videos in my playlist, and many other to come in the next days on my YT Channel. I'll be playing during the anniversary week every single day and recording at least 1 or 2 matches, like I did last year.

Post your videos, gentlemen!
