IceSword7lmdgr8one There's more than 500 people idiot. Stop pulling statistics out of your ass.

Stfu moron look at the advanced game listing maybe with every server added up theres 100 people do you think there are 400 others that arnt online and that play renegade alot No.

and on GSA?

I run 3 servers (that are almost always full) and that accounts for 88 people.

Better reconsider thooe numbers.
