This year, the renforums community war will be one of the events organized by the community during the Renegade birthday week. Exciting!

Game mode: classic AOW, so Renegade C&C mode without modifications

Max players: 12v12

Date: Saturday 22th February

Time: 9 PM Euro time, check your time zone here: https://notime.zone/Olq_wbZbC4gn6

Discord: you will need to join discord to play, if you don't have a microphone then this is not a problem but you need to at least listen in. We will use the Rencorner discord. Join it here:

<https://discord.gg/rencorner>

Server: we'll be using the ReneWars server

Please sign up for this game in this topic or by sending me a PM on discord, as spots will be limited to max 24 players. People who signed up will get priority if we end up having too many players online. If there are less players online then we'll play a smaller game.

I'll try to make teams as even as possible.

Maps: this is the list I propose, but tell us if you do not like some of these maps! For the birthday occasion, we will only use traditional maps included with Renegade 1.037
