FerhagoSweet im not the only one who punches NoX

I find it funny that you spelled binary wrong

BTW what is with all these gay IP sig thingies

HAHHAHH lol yea i did lol ill have to fix that. I dont know it seemed cool at the time and kinda funny to me. HAHAAH lol yea i play tib sun and tib dawn all the time when i cant get on my good comp to play ren and stuff and its just fun becaue it brings back so many good memories i had while playing the C&C series.
