Since you volunteered your IP, I might as well correct you.

Your IP is 81.97.0.38. Its the IP this post was made from, and EVERY post you have posted. It is also the exact same IP that every one of sjezk3's posts are from. I bet if msgtpain checks his fds logfiles, it will match up as well.

And it's also the IP that is banned from our server..
