hmm, well, as one person already asked me in a private message. At first glance, you may think that I created it because I lost someone (grieve) in '92. That probably would have made more sense, but its actually quite simple. Griever is a character name of a Summon in Final Fantasy VIII (, I just slapped the 92 on the end cause it sort of a a catchy sound (i think...)

Well there you have it, the story behind the name Griever92
