Sk8rRIMukjpvgyo darkdemin, do you need a aimbot? Give me your email and i sent 1 too you. All you need to do is fill in your serial number and it works, you dont even have to aim at the person. You just press your left mouse button and someone dies. Pretty cool.

lol nice try trying to get peoples serials ...

I think he may be a little more intelligent than that.

-Sk8rRIMuk

Woah... You shouldn't give him that much credit!
