WHOA...now my friend may not be the brightest bulb in the fixture, but he ain't much of a cheater. He may sometimes think he's better than most, but he don't cheat. Getting a aimbot for a friend makes him an idiot, cause you don't go helping someone else to cheat!!!! I sometimes have to wonder about people who cheat. It is better to try and still suck than it is to be good and know that you cheated!
