Omg who is this poser trying to be sukhoi. Its probally just some wanna be n00b from THC or something, None of you people who play on the pitts respond to this post, You dont know anythin about the real clans of ren.

If it is sukhoi, Go away dude, OPS is dead, Just like LT and DoA, Dude this games dead, Maybe the pub servers may still go on the but the true wars and battles are done for. Let it go dude, Let it go....
