majikentsmwScottSeems pretty normal to me.

Except for the fact that it's blue...?

So lemme get this right, this 'Pepsi Blue' that you guys have, is it just regular pepsi coloured with BLUE rather than black?

If so, it seems like a really poor way to get more kids to buy it...

I'd say Pepsi is tastes much better than Coke anyday.
Mind you, the lemon pepsi is better than the lemon coke.

I wanna see the cherry coke come back, you can barely buy that anywhere nowadays in larger 2 litre bottles.
