RoadRage

If you still care about the renegade community and the game itself then you would think you guys would cooperate on a solution...

Easy Maverick, don't sweat it guys, now I understand, (the "regretful" post)

Just because the fun has ended for some, they would wish it to end for all. The opinion of disrespect, one should not value. Save yourself.

Hack me, sac me, cry me a river...

Defeat never comes, till you admit it!

Too early for goodbyes, so Enjoy!
