Subject: N00bs. How do we stop them?
Posted by Sk8rRIMuk on Tue, 11 Mar 2003 07:58:45 GMT

Ban n00bs is good and as for killing them well thats quite easy a couple of shots the head with a pistol can take them out easy enough but if you prefer just one clean shot with a sniper rifle...

The reality is n00bs will always beea probelm and you have to deal with them anyway possible.
