[quote="Jarhead"]Sk8rRIMukBan n00bs is good and as for killing them well thhats

I have a question for you. Do you have a life? or do you just sit at your desk 7x24...? my god man..300+ posts in two weeks...

No I have just had a LOT of free time in the last week but I have now commenced my normal cycle again and will be posting less now yet always trying to help out ...

And no not 24x7 I just go on for like 3 hours a night.
