spreegeml import w3d files into Ren-X... how would I modify the objects.ddb file

Sir PhenixxNo, it sounds like he's trying to import .w3d files...

<http://www.renevo.com/Downloads/>

It's the 5th file down.

I know, but thats exactly how you would make cheats, with the w3d importer, and by modifying the objects.ddb

Besides, I was jokeing...
