Who knew I'd have to do this twice... We lost Lynne today to lung cancer. She took a risk and had dangerous surgery, but died a day later from internal bleeding. She is truly a good soul and a lovely person, and I know I'm going to miss her. I'm not the only one, either. If you have an account on The Pits, please post here. And Trey, if you're still out there, find Lynne and make sure she reads our goodbyes.

Aircraftkiller, who is Lynne's boyfriend and more... is playing songs for her on the radio, so please listen in and/or visit us in IRC.
