Boink-Your-DeadHey give my brother a break man he has had a lot of problems lately and has had quite a lot of free time and I assume from the looks of things he has been spending it here...

If I know him right he just wants to help
http://www.n00bstories.com/renforums/search.php?search_author=Sk8rRIMuk he has calmed down a lot now...

19 posts today is less than some people and just changing his name to spammander is gonna gut him...

He is away at the skatepark at the moment but he will probably leave the forums when he sees he has lost the confidence of the community he told me he was gonna stop being so spammy and he did...

Just look at his posts in comparison to those of some people *Points at Greiver* they are not so much as spammy as you may think.
