Navy boot camp > Marine Boot Camp.

Hahahaha, did you train in Diego? I can remember that whenever we pissed of our DI he would take us over to the Navy base and make us row "long boats" up and down the canal. Made us race and losing teams did push ups in the mud. Half of the guys had never been in boat...it was nasty.

Negative. I was in Great Lakes Michigan, suffering in -55 fareinheit temperatures in December. It was so damn cold, the soy-sauce was frozen on the galley tables.
