Some of you may have heard this one.....

Superman was flying around when he saw Wonder Woman lying nude on the beach soaking up the sun. And Superman thought to himself...

"Wow, damn! Hey I'm Superman I can go down and do my thing so fast she'll never know it was me!"

So Superman flew down and did his thing and flew back off again. Feeling pretty proud of himself he flew away.

An hour later all of the Justice League met at the hall of justice.....

Superman said, "How was everyones' day?"

Most of them said it was good.

The Invisible Man said, "I'm okay but my ass really hurts!"
