majikentl'd say this is a bit overkill...

<http://www.n00bstories.com/image.fetch.php?id=1204642562>

That's not "a bit overkill", that's overkill to a new extreme. 1 image in your signature is enough, 4 is way too much. Having 4 images that take up an entire screen in your signature defies the entire purpose of a signature.
