EnglandSir Phoenixxmajikentl'd say this is a bit overkill...

That's not "a bit overkill", that's overkill to a new extreme. 1 image in your signature is enough, 4 is way too much. Having 4 images that take up an entire screen in your signature defies the entire purpose of a signature.

Its not even that, its just fukin stupid.

Graphahics suck, two lines?! all you need.

I agree.
