this happens to me ALL the time...it's actually rather annoying.

But about other people getting in a tank or apc and screwing up the driving? Happens to me all the time as well...the worst part is when ou're trying to shoot at an enemy unit and some bozo is messing with your turret, so you naturally tell him toi get out....and he doesn't...and there's that f#%^&(g anti-message-flood thing so you can only say it so muh...and then you lose your tank. ARRGH i hate noobs....[/code][i]
