Subject: What role does a Sniper have, in a world full of Tanks?
Posted by amid_tha_rubble on Sun, 07 Dec 2003 18:02:34 GMT

one thing to say:
you wouldn;t believe how many n00bs get out of their tanks in the middle of a battlefield. I usually enjoying sniping them off when they try to repair, then it's just a short walk and you've got yourself a free tank. I've gotten 12+ tanks for free in one game doing this...and they never learn!
