Is that all you can do?

Offend people?

It has nothing to do with the topic :rolleyes:

And don't accuse people for things your doing.

Look at your 'Phase Trnспорт' Everybody can see, that this is only an APC with an rocktlauncher.

You 'Cannonboot' is orginal from Westwood as well.

And the 'V2-launcher' is the orginal SSM-Launcher from Nod, just another Skin

And I can'T imagine how much stuf you already have recived by Westwood.

So shut your mouth and stop offending me.
