TheGunrunAoccdrnig to a rscheearch at Cmabrigde Uinervtisy, it deosn't mttar in waht oredr the ltteers in a wrod are, the only iprmoetnt tihng is taht the frist and lsat ltteer be at the rghit pclae. The rset can be a total mses and you can sitll raed it wouthit porbelm. Tihs is bcuseae the huamn mnid deos not raed ervey lteter by istlef, but the wrod as a wlohe.

This justifys what ever infinint says ok.

It does? Does it justify all the other illiterate kids out there who can't spell to save themselves? It's just a really stupid mistake and when these guys say it they probably don't realise it's one. When they actually listen to their teacher in 5th grade, they wouldn't be getting told by someone on a forum that what they're typing out looks like ass.
