WELP turn on your news everyone coalition forces have caught Saddam coweredly sitting in a mud hole with a taxi and a pipe for breathing look at the pictures of this cowered sitting being looked at by doctors as he knows he has been defeted this is a day of celebration for Iraqies Americans British all that have helped put an end to this dictatorship and captered this evil man. I know im happy and i think its funny just looken at him GOD BLESS AMERICA!!!!!!!!!!!!
