unFooks- LOL. (we started the F-O-G clan a lifetime ago)

infini- I laughed when you wrote "\*spawns on barstool\*", that was funny

Crimmy- I was raised on Diet soda also, as my parents tried desperately to keep sugar out of my hyperkenetic hands. these days I am a Diet Pepsi drinker also.

spreegem- since you say "unsweetened" tea, that means you are from the south. The rest of the country just asks for "iced tea".

mrpirate- LOL

DaveGMM- "half-a-stone"? What is this, the 1400's?

/me sings for Shaft  
/me pours your drinks
