PiMuRho "No offence" my arse. Your response was designed to be entirely offensive. This is exactly the kind of reason why I no longer wish to be part of this "community"

A lot of the prominent Mod makers do it here. PiMuRho, I would suggest another Forum you trying to kill this community with nay-say. Keep up the good work, boys! You'll kill it yet.

Professionalism is not only a skill-set, but a mind-set as well.
