^^^LOL LOL LOL i was messen with c-130 drop mod and i put it on drop 50 havocs or w/e the highst number was and bought a vec well it instead of dropping the havocs after the vec it dropped the vec with the havocs all stuck together inside of it sticken there little heads out so i blew up the vec and this is what if ound LOL LOL LOL.

Reminds me of the Matrix!

"Mr. Parker!"
