First of all, Merry Christmas from Dri Reign!

After some thought I have decided to release the Promo movie for the Renegade:Sole Survivor mod. Please keep in mind that nothing in there is final, but we hope you enjoy it anyway. Sole Survivor will have:

- All new models!
- Tons of maps!
- 4 Games Modes, Silos, Sole Survivor, CTF, and Convoy!
- AI Skirmish maps!
- A working crate system!
- Many other nifty things!

Check out the video Here!. Be sure to stop by the Dri Reign forums some time and check out our other Renegade:RA2 Vengeance mod! Happy Holidays!
